Dear Ms. Roush:

This letter of support for grants # G13-01-02-G01 and G13-01-02-L01 is being submitted on behalf of the BlueRibbon Coalition, a national non-profit trail-based recreation group.

BRC has reviewed the proposals and believes they are appropriate considering that fact that the Samoa Dunes OHV Area is only one of two legal beach/ocean-side riding areas in California. It provides a very unique and highly-valued OHV opportunity found in only one other place in the state. Ground Operations and Law Enforcement are important elements of the "3 E's."

BRC strongly supports these grants and looks forward to working with you and other stakeholders to support OHV management on public lands in Humboldt County.

Best regards,

Don
